## Technology Pass / ICT Code of Conduct

Dear Parents/Caregivers,

As mentioned in this week's newsletter, the school is requesting that **each** student pay a Technology Fee of \$20 in lieu of the TEXTBOOK FEE charged in previous years. This fee assists us in making annual subscription payments for programs such as Mathletics and Literacy Planet, and helps to cover the cost of breakage repairs and general wear and tear of XO's, iPads, Chromebooks, computers and other technology used in the classroom. The fee is also used to purchase computer software and programs, which are used by all teachers K-6 to assist students with their learning.

In addition to this fee, all students must acknowledge '**Bankstown North Public School Information and Communication Technologies Acceptable Use Policy**' and sign the '**ICT Code of Conduct**' located on Page 2.

Once payment and a signed copy of the '**ICT Code of Conduct**' have been received by the school, **your child will be issued a 'Technology Pass'**. This pass will give your child access to school-based devices such as XO's, iPads, Chromebooks and computers, and their logins and passwords for Mathletics and Literacy Planet.

Your prompt payment of the Technology Fee and return of a signed copy of the 'ICT Code of Conduct' is appreciated.
