Triskills – K-2 Gymnastics Program Term 1

Dear Parents/Caregivers,

Bankstown North Public School classes will be participating in a gymnastics program in school, which is provided by a sporting company **Triskills**, who we were fortunate to work alongside last year. The feedback from teachers and students was that the gymnastics experience was a highlight in the students' week and provided an ideal and engaging environment for all students to learn about and practise movements such as spins, turns, jumps, flight and different landings on the provided equipment.

This program will commence Term 1, Week 4 and will cost \$18. The gymnastics program will run 10 sessions throughout the term. K-2 students will wear their sports uniform for this Friday gymnastics session, including sports shoes.

It is expected that all students will participate in this worthwhile program. Please make a payment to the office by Friday 16 February 2018.

Thank you,

Jon Godwin
Principal
